General Information

University of British Columbia (UBC) is a world-class centre for research and teaching, consistently ranked among the 40 best universities of the world. Surrounded by the natural beauty of the Canadian West, UBC encourages bold new ways of thinking that attract exceptional students, faculty, and staff. It is a place where innovative ideas are nurtured in a globally connected research community, providing unparalleled opportunities to learn, discover and contribute in one's own way. UBC is a place of mind.
